

# DERMATOLOGY + PLASTIC SURGERY

*For Your Best Self*

**SALUJA | NOVO | GASGARTH**

## Aesthetician Services

### **HydraFacial®:**

3 steps in 30 minutes. No downtime. Restore skin health & reveal the best skin of your life. It is our belief that beautiful skin instills a deep confidence that amplifies inner beauty.

### **Peel & Glow:**

Our line of professional strength revitalizing peels will improve texture, clarity and complexion, and can decrease inflammation and pigment.

### **SkinPen Microneedling:**

Stimulates replenishment of collagen and elastin for anti-aging effects.

### **Microneedling Enhancements:**

- PRF (Platelet Rich Fibrin) - "The next generation of PRP," isolates significant concentrations of growth factors from a sample of your own blood for anti-aging effects.
- PRF Hair Health Treatment - Promotes scalp health and may stimulate hair regrowth for patients with thinning hair.

### **The Virtue Experience™:**

(Next Generation of Radiofrequency + Microneedling) Tightens skin using radiofrequency, targets fine wrinkles and reduces scars. Four treatments. No downtime.

### **Complexion Correction Consultation:**

A one-on-one with our licensed medical aesthetician experts to evaluate your concerns and develop a customized skin treatment plan to fit your lifestyle and goals. Skincare lines include SkinMedica®, Obagi®, Alastin®, ISDIN®, and SalujaMD. Visit [www.foryourbestskin.com](http://www.foryourbestskin.com).

### **Additional Aesthetician Treatments:**

- Skin tag snip removal
- Electro-dessication treatment for clogged pores (milia), overgrown glands (sebaceous hyperplasia), or age related keratoses.

## Aesthetic Dermatology

- #1 volume Botox®, fillers and Sculptra® injector in all of Central Florida.
- Of 1.2 million doctors performing injectables in the U.S, less than 3% are qualified, and we are a part of that 3%.
- Dr. Saluja and her team have more than 30 years of experience and education in injections.

### **Botox®, Dysport®, Xeomin and Daxxify™:**

Small injections placed skillfully and artfully, temporarily relaxes facial (upper and lower), as well as neck muscles to reduce fine lines creating a softer, smoother, more lifted look.

### **Hyaluronic Acid Fillers:**

A natural substance helps restore volume and retain hydration, reducing lines, folds, and hollows. Dr. Saluja and Dr. Novo hand select the best products to achieve your goals from the Juvederm®, RHA® and Restylane® family.

- Tear trough treatment (undereye hollows)
- Lip enhancement
- Cheek and chin contouring

### **Sculptra®:**

The modern way to anti-age. Corrects volume loss due to aging, turning back the hands of time. Starting earlier is better. Used to recontour temples, cheeks, jawline and nasolabial folds. By increasing your own collagen production, Dr. Saluja uses Sculptra® to create a more youthful and symmetrical appearance. Sculptra takes 90 days to take effect so it is also more secretive.

### **Y Lift®:**

A 45 minute miracle facial contouring procedure, which revives the cheekbones & under eye area, defines the jawline & lifts the upper neck so that you look more beautiful and younger.

### **Signature Liquid Lift:**

Revive and enhance your natural beauty with a customized combination of dermal fillers and Botox® or Dysport®. Our #1 non-surgical treatment for overall facial transformation.

### **Bellafill®:**

For our more experienced injection patient who is ready for a long term solution. Bellafill filler for smile lines, facial lines, facial hollows and acne scars lasts 5+ years. Allergy test required.

**Kybella®:**

Nonsurgical treatment to contour stubborn fat under the chin and jowls. The active ingredient occurs naturally in the body to break down fat. Excellent in combination with the Liquid Lift or on its own to define the jawline.

**Bussolyft/PDO Threads:**

Dissolving threads are placed to reposition facial fat pads to improve cheeks, jawline, jowl, lateral undereyes, and upper neck.

**Medical Dermatology & Surgery****Mole Evaluation & Removal****Skin Cancer Screening Exams:**

Recommended annually. Come with a makeup free face for a thorough head to toe check.

**Mohs Surgery Skin Cancer Excision & Reconstruction:**

Your cure is our priority. Our aesthetic goal is to reduce scars from skin cancer removal.

**Complexion Consults:**

Acne, Rosacea, Melasma

**Laser + Device Treatments****Fractional CO2 & CoolPeel™:**

The gold standard in skin resurfacing performed comfortably in the office reveals new skin with significantly reduced wrinkles and sun damage. Can be performed on the face, neck, chest, hands, and forearms.

**BBL + Excel V Photofacials:**

Addresses a variety of complexion concerns including spider veins, dark spots, redness, scars, using targeted energy from light. Keeps skin forever young with collagen stimulation.

**Sofwave:**

Non-invasive, no down-time treatment to tighten and lift eyebrows, face, and neck skin.

**UltraSlim®:**

The only noninvasive device FDA cleared for immediate fat loss...lose measurable inches painlessly.

**MyEllevate®:**

Incisionless, minimally invasive neck contour rejuvenation procedure.

**Renuvion® Facial & Body Rejuvenation:**

Revolutionary skin rejuvenation technology. Performed comfortably under anesthesia. Used in combination with liposuction for unparalleled skin tightening.

**Ellacor:**

In-office, incision-less skin removal for lower face and neck.
