**Summer means a fresh, new season and a
perfect opportunity for a revitalized complexion
for you and your plus one.**

**We offer APEELE™, which is composed
of the following ingredients:**

- **TCA** - Trichloroacetic Acid for penetration and stimulation of collagen growth.
- **Retinoic acid** - A gold standard in anti-aging and vitamin A derivative to combat wrinkles.
- **Hydroxy acids** - An exfoliating blend aiding in the removal of dead skin cells.
- **Hydroquinone** - Treats light pigmentation.

PEEL FAST FACTS

- Application of this revitalizing peel occurs in less than 30 minutes.
- It is painless!
- Peeling starts within 36 - 48 hours for approximately 3 days.

Cautions: Please inform us if you have a history of herpes (fever blisters). Do not get a peel if you have a sunburn or artificial suntan, have recently taken Accutane, or are pregnant and/or nursing.
