SOFWAVE

Reduce wrinkles, fine lines,
and sagging skin

**Dee Dee, our Aesthetics Nurse, is NOW
AVAILABLE Tuesdays in September in our
Suntree location for Sofwave!**

Sofwave is the future of non-invasive, clinically proven, and FDA-cleared ultrasound technology to improve skin laxity, lift, and tone.

It is a great alternative to reduce wrinkles, fine lines, and sagging skin without needing needles or downtime. Call to schedule your consultation today!
